RE: Case # 09-0391-WS-AIR for the Ohio American Water Company Rate Increase

Dear Chairperson / Commission Members:

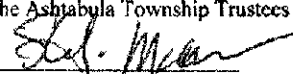

We, the Ashtabula Township Trustees, passed a motion at our last regularly scheduled meeting held on Wednesday, July 8, 2009, to unanimously oppose the proposed 60% increase for the Ohio American Water Company. Our population base is heavily populated with senior citizens who are on fixed incomes and many individuals who are without work in the severe recession we are faced with at this time. The residents of Ashtabula Township would be hard pressed to have to absorb this outrageous proposal. Nonetheless, residents are still trying to catch up with inflation from the Ohio American Water Company rate increases in past years let alone taking on this additional increase.

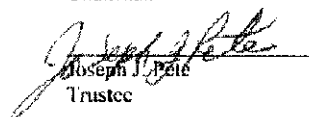

Our board requests that you understand the severity of this rate increase and the current economical situation our county is faced with at this particular moment in time. Please fully understand the issue at hand and deny this request for the common good of all residents of Ashtabula County and Ashtabula Township.

Thank you in advance for your cooperation and consideration on this matter.

Sincerely,

The Ashtabula Township Trustees and Fiscal Officer

Stephen J. McClure
